

7.5 Compensation. No director or officer shall receive compensation for any service rendered to the Association as such, however, any director or officer may be reimbursed for actual expenses incurred in the performance of duties.

Proposed change to Article 7.5

Compensation. No Director or officer shall receive compensation for any service rendered to the Association, however in an effort to encourage participation on the Board by HOA members, Directors will be exempt from monthly dues. Directors or officers may be reimbursed for actual expenses incurred in the performance of duties.
